

Casting out Root Spirits

Note: Prior to casting out any demons, let the client know that if they feel the urge to yawn, cough, burp, or sneeze, then to let it happen.

Example 1

Have Client say: "Spirit of _____ I reject you I renounce you and I break all covenants with you. I command you to go Right now In Jesus name"

Example 2

Have Client say: Evil spirit of _____, I cut your chains and break your bands, in the name of Jesus Christ; I bind you and cast you out now! You have no place or memorial in me. You are defeated and cast down."

Example 3

Have Client say: "Evil spirit of _____, you have no right to me. I cancel your lease on my life and serve you your eviction notice. I declare you defeated in every area of my life. I cut your chains and break your bands in the name of Jesus Christ; I bind you and cast you out now!"

Minster says: "Spirit of __(name the spirit)__ and all your demons of __(name off the demons listed under that spirit)__ and any other demon associated with __(name the spirit again)__, I command you to wind up tightly with the spirit of __(name the spirit again)__. Your assignment is cancelled. I take the axe of the Holy Spirit. **I PULL YOU UP, I CHOP YOU OFF AT THE ROOT AND I BREAK YOUR POWER.** You and all your demons must go **RIGHT NOW** in the name of Jesus. I untwist you from the RNA and DNA all the way back to Adam and Eve. I **UNHOOK** you off of this person (*you can say him/her or their name*) in the mighty name of Jesus. I **COMMAND** you to go **RIGHT NOW** ... in Jesus' name.

Have the client take a deep breath and let it out. Ask the client how they feel after each root spirit. If the client has pain, then continue to call out that spirit.

Other possible things you might say during the deliverance if led by the Holy Spirit

"Come up and come out come up and come out ... right now in Jesus name"

"Father, I ask you to cleanse the generational bloodline In Jesus name"

"__(name a particular demon if Holy Spirit leads you to)_ come up and come out in Jesus name_"

"Any other demon that I did not mention, come up and come out In Jesus name"
