

## The Interview

6. The way I locate strongholds in your life is to get you to talk to me about your life in three stages:

Stage 1 - Conception to the time you started school

Stage 2 - 1<sup>st</sup> grade through 12<sup>th</sup> grade or whenever you stopped

School (we're going grade by grade).

Stage 3 - Your adult life after completing school (summary)

95% of the strongholds are laid in the first 6 years of life, therefore, we will concentrate on these years. You will get the degree of ministry according to your degree of honesty. You don't have to remember everything, just what the Holy Spirit brings up. You can tell me anything except that you molested a child after you were 18 years of age.

7. Begin the interview. In stage #1, I need to know these specific things:

- Where were you born? How old are you?
- How many children in your family and the sex and rank of birth order in which you were born.
- Why do we need to meet today?
- Did Mom have any trouble carrying you during her pregnancy? Was the birth experience difficult for her?
- If first born child, pray the prayer of double portion
- When I say the word Dad, what feelings come up? Concentrate on feelings, not information. When I say the word Mom to you, how does that make you feel? I emphasize "feelings". Did you receive nurturing from Dad

and Mom? Ask about Dad first. Dad's nurturing is what brings a child's spirit to life.

- The Holy Spirit will bring up and reveal what you need to remember.
- *Earliest memories:* Give us good or bad memory.
- How did that make you feel?
