Ascended Masters of the New Age Movement

An Ascended Master is defined by the New Age Movement as a highly evolved being who has progressed through all experiences that this planet can offer and no longer needs to incarnate (be born). The writers of the New Age Movement state that the Masters of Wisdom already have evolved through the five inner experiences known as initiations. These so called Ascended Masters are in reality the Strong Man that are ruling the demonic order in the heavenlies. These demonic forces can and should be attacked in the heavenlies and bound in Jesus Name (Eph 3:10).

A Guru is simply a spiritual teacher and indicates no particular rank. Masters take a male body in their last incarnation for energetic reasons, for there is no such thing as gender on the soul level. The first stage of the teaching, which reveals the existence of the Masters to the West, came through Helena Blavatsky. She was a co-founder of the Theosophical Society (Isis Unveiled and The Secret Doctrine). This teaching was to precede the advent of the New Age and pave the way for it. The second phase of esoteric teachings was presented in Alice Bailey's books. She acted as the amanuensis for Master Djwhal Khul. As early as 1948, the imminent return of the Christ was foretold. After 1975 the Christ would be in the world.

The Women's Movement is said to have been inspired by the Hierarchy of Masters.

The Masters of Wisdom or Strong Men

Master Jesus —This tremendously powerful ruling spirit is the New Christ. He is the Strong Man over the Christian church. He and his operates (demons) will try to establish heaven on earth through Word Faith, the manifest sons of God, Reconstructionists and the Dominion Movements. And will physically move (John 16:2) anyone out of the way who will not follow their teachings - **BEWARE AND BE WARNED!**

Master DK (Djwal Khul, also known as the Tibetan)—This evil spirit is responsible for the enormous educational effort through the writings and teachings of Alice Bailey.

English Master—This evil spirit allegedly resides in Britain and guides the Anglo-Saxon race and plans its future development. He sponsors the worldwide labor movement and is occupied with economic problems.

Master Hilarion (Saul of Tarsus, the apostle was an earlier incarnation)— This demon energizes psychic research everywhere. He and his minions started the Spiritualist movement.

Master KH (Koot Hoomi)— He is the ruling spirit who will succeed the Lord Maitreya as the World Teacher in the future. He was involved with founding the Theosophical Movement.

Master Morya—This ruling spirit is one of the best known Masters of Wisdom. He works closely with Master KH. He inspires statesmen and works to carry out racial evolution.

Master R (Rakoczi) This ruling spirit works largely through esoteric rituals and ceremonies and carries out plans of the executive council of the Lodge.

Master P—This demon works under the Master R in North America and is connected with such esoteric mental sciences as New Thought and Christian Science.

Master Serapis – This powerful demon is the energizing force behind the great art movements of the world, the evolution of music, painting and drama. At present, he works with the deva or angel evolution until their agency makes possible great revelations in the world of music and painting which lie immediately ahead.
